IRCO Community Federal Credit Union is committed to protecting the online privacy of our youngest members and to complying with the Children's Online Privacy Protection Act (COPPA). COPPA prohibits unfair or deceptive acts or practices in connection with the collection, use or disclosure of personally identifiable information from and about children on the Internet. COPPA is intended to give parents increased control over what information is collected from their children online and how such information is used. IRCO's website and online services are not directed to children under the age of 13, nor is information knowingly collected from them. If you believe your child has provided personally identifiable information to IRCO online and you wish to review and delete such information, please contact us at 800-538-1572.
