Just 3 Simple, Easy Steps:

- 1** Stop by our office to open an IRCO checking account. You'll receive 5 starter checks. Your first set of checks will be mailed to you within 7 to 10 business days. **VISA** Debit cards are also available.
- 2** Complete the **Direct Deposit** and **Automatic Payment Change Notices**. Submit them to the companies that deposit monies or debit payments from your existing checking account, including your payroll dept. Attach a voided check, if required.
- 3** After automatic transfers have stopped and your direct deposit and payments are coming to your IRCO checking account, and all checks have cleared, simply complete and send the **Checking Account Closure Notice** to your previous financial institution. The remaining balance will be sent to your new IRCO checking account. **That's It!**
